

## **Seasonal Boat Mooring Lottery Process**

The season for boat mooring on Lake Briarwood is April 1<sup>st</sup> through Sept. 30 of the calendar year. Seven spots are available on the western edge of the common ground with mooring posts provided. The cost of renting a spot for the season is \$100.00. Allotment of the spots will be allocated through an annual lottery. Beginning March 1<sup>st</sup> of the calendar year those property owners current on assessments may submit a letter containing their name, address/Briarwood lot # if different than address, telephone # and email address to enter the lottery. Submissions may be placed in the black box at the front of the subdivision or mailed to BAA Lottery 1 Stonegate Dr. Desoto, MO 63020. All mailed submissions must be received by the Sunday before the March Board Meeting (2<sup>nd</sup> Monday of March). Any entries received after that will be considered invalid. Winners will be drawn at the March board meeting and notified prior to April 1<sup>st</sup>.

BAA is not responsible for any theft or damage to person/property that may arise between renters or vessels while moored or mooring at the site. All lottery winners will be required to sign a waiver absolving BAA from any legal action pertaining to boat mooring. All vessels and operators moored on Lake Briarwood are required to follow the Lake Briarwood Boating Rules. Any lottery winners found to be in violation of the rules will forfeit their spot immediately and lose their lottery payment. Vessels must be removed by Oct. 1<sup>st</sup> of the calendar year.
